Flag: Follow up

JT,

I have reviewed the comments and your responses and do not have anything to add.

FYI – I took the liberty of inserting your initials and date into the Excel document that Rosemary created to track RtC.

Subject: RE: Assignments for comment Summaries/Responses

Hi, JT, Chris, and Matt:

I added a few draft responses to the [Compliance Evaluation \(comment code no. 4\)](#) and [Enforcement \(comment code no. 5\)](#) sets of comments, for which we are the RtC leads, in tracked changes at the links in this sentence. Standard caveat: my comments come from a civil enforcement, national perspective. I welcome any revisions, and particularly those regarding criminal enforcement and the regional perspective.

Per the deadline below, we have until Tuesday (which includes Matt's ORC review) to get this to Tom and Mita.

Please let me know if you have any questions about my input or if I can provide any other assistance.

-Jeff

Subject: Assignments for comment Summaries/Responses

Hello, everyone – Thanks for all those involved in preparing comment summaries and responses for the Florida assumption request review. The updated assignments, organized by comment code, are populated in the spreadsheet under folder 09 of the Launchpad, here:

https://usepa.sharepoint.com/sites/R4/r4_wetlands_stream_regulatory_section/Shared%20Documents/Florida%20Assumption%20EPA%20Internal/LaunchPad-120DayReview/09-PublicCommentsRecd-ResponsivenessSummary/Excerpts%20by%20code%2011-20-2020_schedule%20to%20EPA.xlsx?d=w6a9c251f3cb94f36bbdbe24339f08e21

Please review for your assignments, especially if you weren't on the call this morning. For Batch #2 (everything other than the Batch #1 components we're sending to Jeaneanne tomorrow), the plan we arrived at on the call is:

COB Tuesday, 12/1: Draft summaries, reviewed by staff attorney, to Tom and Mita

Wed/Thurs 12/2 & 3: Tom/Mita review, any revisions needed, routing to Jeaneanne

Thank you all for the work you are putting in on this with tight turnarounds. I'll keep forwarding the comment summaries as soon as I receive them.

~ Rosemary
